Worked with my community and friends to produce art and films at Towson University while working at my local country club from high school to present.

EDUCATION

Community College of Baltimore County, Essex, MD

- ECAP student during 11th and 12th grade, then transferred to Towson.

Towson University, Towson, MD

- Bachelor of Science in Art and Design with a Minor in Electronic Media and Film.

ACHIEVEMENTS

- **CCBC 2020:** Three life drawings were showcased in an open house.
- **Towson 2024:** One enamelled jewellery piece (worn in the picture in top left) was featured in Tasty: a collaborative student exhibition at Munich Jewellery Week.

LEADERSHIP

Started my own Etsy, selling stickers and resin objects in 2021. In 2022 I was the head of my film group at Towson. I got us locations to film, did storyboarding, editing, sound, and some animation. I also drew storyboards for other film students at Towson. I'm great at teamwork and just want to help support others be creative and expressive.
